The Necessity of the Reformation: Was the Medieval Catholic Church Broken?

Presented by

Dr. Paul C. Hilliard, PhD.
University St. Mary of the Lake

Thursday, September 6, 2018

7:00 - 8:45 p.m. in the Parish Center Meeting Rooms

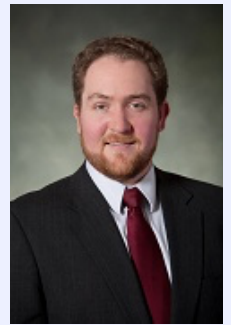

The Protestant Reformation(s) brought disunity to Western Christianity. The movements started by Martin Luther and others have often been presented as the only option for fixing a broken, corrupt, and unreformable church. This presentation will challenge the older narrative of the necessity of the Protestant Reformation(s) by separating fact from fiction to address the question: how broken was the Late Medieval Church?
