Main Church

St. Mary of the Annunciation invites you to this unique event, with the hope of providing a new perspective on Advent and your preparation for the season of Christmas.

Through beautiful Marian music and scripted narrative, participants will be invited to reflect upon Mary's own physical and emotional experiences during this time to better understand what it must have been like as she awaited Jesus' birth.

Join this very special evening with the goal to explore and achieve personal spiritual growth -- with Mary leading the way -- as we approach the birth of the Lord!

*There is no cost to attend and no registration is required.
(A free will offering will benefit the St. Mary Music Ministry)*
